Ted F. Gonzalez, JD/MBA

SENIOR EXECUTIVE · FINANCE, OPERATIONS & STRATEGY · HIGHER EDUCATION, REAL ESTATE & HEALTHCARE

Waco, Texas | (254) 315-5095 | ted.f.gonzalez@gmail.com | tedg145.github.io

EXECUTIVE PROFILE

Senior executive with more than two decades of leadership across finance, operations, strategy and law in higher education, real estate development and healthcare. Former college CFO and Chief of Strategy accountable for a $102M budget and, through subordinate leaders, a worldwide workforce exceeding 1,200. Currently directs ~100 employees and $10M in operating and capital budgets as Director of Physical Plant for a Texas community college, leading its first facilities master plan in about a decade with a campus digital twin he built. Earlier, partner, VP of Operations and General Counsel for a student-housing developer that grew to 30 communities and ~$1.2B in assets, and regional VP over eleven hospitals for a healthcare-services firm. Founder and partner in two technology ventures.

AREAS OF LEADERSHIP

- Enterprise finance & capital allocation
- Strategy & performance funding
- Legal affairs, contracts & procurement
- Facilities, utilities & energy
- Capital projects & real estate
- Accreditation, governance & risk
- Auxiliary & campus services
- Partnerships & economic development
- Technology, AI & analytics

PROFESSIONAL EXPERIENCE

Director of Physical Plant

2024 – Present

McLennan Community College · Waco, TX

- Lead approximately 100 employees across custodial, maintenance, grounds, construction and fleet operations.
- Manage a **$5M departmental operating budget** and a separate **$5M college capital budget**; reduced departmental expenses by **approximately $200,000** in less than one year while sustaining core services.
- Oversee delivery of the **$5M Cameron Hall** new-construction project.
- Lead utilities and energy management: procuring electricity in staggered blocks to dollar-cost-average future rates ahead of contract expirations, protecting the college against potential triple-digit percentage increases and avoiding what could be millions in added energy costs.
- Negotiated with the City of Waco to reduce water costs, saving **$150,000 in a single year**.
- Driving energy-efficiency upgrades, including a building-controls modernization and work with Oncor to return utility rebates to the college; evaluating AI-driven analytics to optimize consumption.
- Lead the college's **first facilities master-planning effort in approximately ten years**; created a college digital twin to support campus analysis and planning.
- Code browser-based AI professional-development tools and interactive simulations (HTML, CSS, JavaScript); serve on the AI Task Force and designed and facilitate an institution-wide AI curriculum.

Chief Financial Officer & Chief of Strategy

2024

Central Texas College · Killeen, TX

- Oversaw the college's **$102M institutional budget**, aligning financial resources with strategy and student outcomes.
- Held responsibility, through subordinate leaders, for the majority of a worldwide workforce exceeding 1,200 employees, including adjunct faculty; directly supervised the Dean of Continuing Education, Dean of Military Education and Director of the Correctional Education Program.
- Led the institution through a **SACSCOC accreditation review with no findings**.
- Oversaw Department of Defense education and training at continental and European sites, including ~50–100 contractors delivering in-theater training; served as Industrial Security Clearance Officer.
- Led the House Bill 8 transition, aligning offerings, reporting and financial planning with Texas performance funding.
- Led semiconductor and aerospace partnership negotiations; worked with the workforce board, chamber and EDC to establish a research park on campus.

Chief of Strategy & Contracting Officer 2021 – 2023

Central Texas College · Killeen, TX

- Served on the Chancellor's cabinet, assessing programs, enrollment and public data to identify growth opportunities.
- Built a comprehensive growth strategy from ten years of institutional financial data; modeled the institutional impact of House Bill 8 and FAST using college, TEA and U.S. Department of Education data; aligned academic offerings with regional workforce demand.

Associate Vice Chancellor, Business Services · Contract Officer · Adjunct Faculty 2017 – 2021

Central Texas College · Killeen, TX

- Led a division spanning KNCT-FM, Mayborn Science Theater, dining, bookstore, contracts, purchasing, inventory, housing, grants and government affairs; served six months as interim head of Risk Management and reviewed all capital projects and funding.
- Oversaw district-wide procurement, including all Department of Defense contracts; reviewed statutes, contracts and MOUs and advised executive leadership.
- Turned KNCT-FM profitable, adding **~$280,000 in annual revenue**; grew science-theater sales from $25,000 to a projected $100,000.
- Renegotiated the dining contract for **$60,000–$80,000 in annual savings**; negotiated a **$1M Ford Motor Company partnership**.

Vice President of Operations · Partner · General Counsel 2008 – 2017

Campus Crest Real Estate Development · Charlotte, NC

- Led approximately 150 employees as an executive partner in a start-up student-housing developer that grew to **30 communities and ~$1.2B in assets** across the United States and Europe, sustaining **95% occupancy**.
- Directed master development and facilities planning, capital allocation, construction, acquisitions and mergers, including preventive-maintenance, utility-conservation and turnover standards; secured construction lending with investors.
- Negotiated land acquisitions, tax abatements and rezoning; served as general counsel managing legal matters and outside counsel.
- Launched a satellite cable and internet subsidiary and the Copper Beech senior- and graduate-student living brand.

Regional Manager · Project Manager · Partner 2007 – 2008

Campus Crest Real Estate Development · Charlotte, NC

- Turned around underperforming Class A multifamily communities totaling more than 650 units and $100M in managed assets, positioning them for sale.

Regional Vice President of Operations 2004 – 2006

Crothall Healthcare · Wayne, PA

- Directed contract management and support-service operations for **eleven hospitals** with **$15M in departmental budgets**, turning each department revenue-positive.
- Sold **$7M in additional services** and secured a **five-year contract extension** on the strength of operating results; met monthly with hospital CEOs, COOs, CFOs and CNOs.
- Managed outsourced patient-transportation services, corporate training and HIPAA and Joint Commission (JCAHO) compliance processes; conducted quarterly financial audits.

VENTURES & SERVICE

- **Co-Founder & Partner, EGON Safety Technologies** — Co-founded and engineered a B2B safety-intelligence software platform (egonsafety.com).
- **Founder & Partner, EX MULTIS** — Developed an AI service that routes one question through several models with distinct roles and preserves their disagreement (exmultis.com).
- **Elected Board Member, Copperas Cove EDC; Appointed Board Member, Central Texas COG Economic Development Board** — helped bring solar and other renewable energy to the region; also Killeen–Fort Hood Regional Airport Task Force.
- **Adjunct Faculty, Central Texas College** — Law and business; responsible AI use in coursework.
